WELCOME BACK

to Arts on the Trail, now in its 12th year. The Elliot Lake Arts Club is proud to be organizing the event this year—after all, we organized the very first Deer Trail Studio Tour way back in 1993!

We are pleased to present 43 very talented artists this year. The tour is a chance to talk to the artists, learn about their creative process— maybe even take home that special piece that caught your eye. The Arts Club's goal is to promote appreciation of art in our community, so please enjoy the tour!

Pick up your Passport at any of the locations, get it stamped, answer a few questions and you will be entered into multiple draws to win some great prizes!

We are pleased to present an exhibition of work by some of Elliot Lake's talented young artists.

Check it out at Collins Hall.
