Elliot Lake Woodcarvers

The Elliot Lake Woodcarvers have been a community institution for many years. The Woodworkers meet every Wednesday morning at Gentle Shepherd Church.

The EL Woodcarvers offer a range of classes from basic to advanced. They have also recently introduced Wood Burning! Members can use club tools to work on their own projects or work with other members to learn how to make a bigger project.

Arts on the Trail has invited the Elliot Lake Wood Carvers to the Elliot Lake Arts and Heritage Centre to provide an exhibit of their lovely work. Drop in, meet members and find out how you can join this very impressive club.

Elliot Lake Model Railroad Club

Founded in January 2004 by 22 model railroaders of various modeling experiences. Their goal is to support the community's effort to promote itself as a retirement and tourist venue, offering an incentive to visit or relocate to Elliot Lake.

They are dedicated to fostering a sense of wonder, curiosity, and learning through their model railroad.

The Model Railroad club's studio is housed in the Elliot Lake Arts & Heritage Centre and will be open during Arts on the Trail
